GILES HIGH SCHOOL, 1964. SPARTANS . . . shifts . . . study halls . . . the roar of school buses . . . sports . . . the goal of year shield staff is to bring back the highlights of the year. We have included our teachers and friends, our organizations, our sports and activities.

BELLS . . . BEATLES . . . THE SNAP OF CLOSING books . . . p.a. system . . . the tantalizing smell of popcorn . . . the school year is full of memories for all of us. We worked and played; we studied and relaxed. This the shield cannot hope to mean all things to all people.

CLASSES . . . CREDITS . . . CLASS RINGS . . . the dread of report cards . . . in the years to come we will cherish different memories of our high school years, the classes, teachers, and textbooks. The events, people, and knowledge that we remember will be different, but they will all be giles high.

HOMECOMING . . . HOOTENANIES . . . HOMEWORK . . . assemblies . . . excitement of the prom . . . the staff hopes that the Shield holds some favorite memories for everyone. When you spend a few pleasant hours thumbing through these pages, the shield becomes a success.

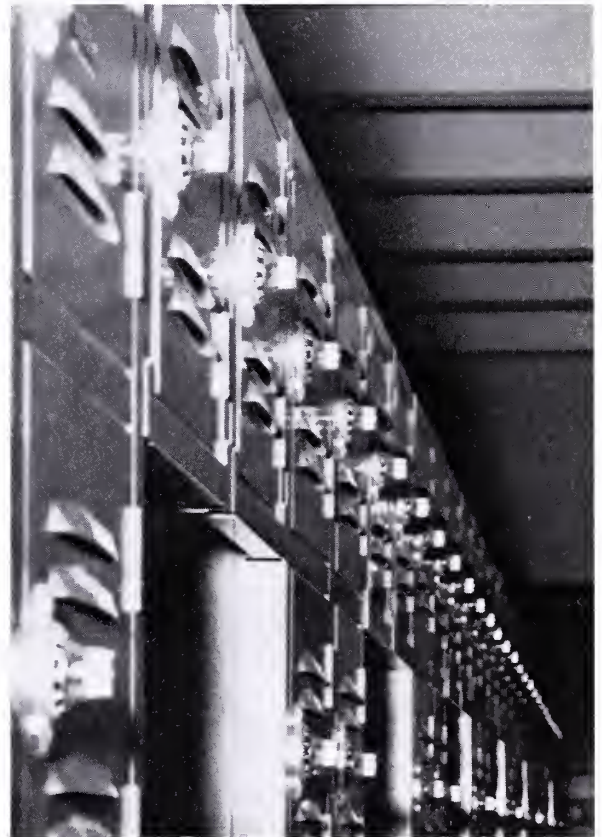

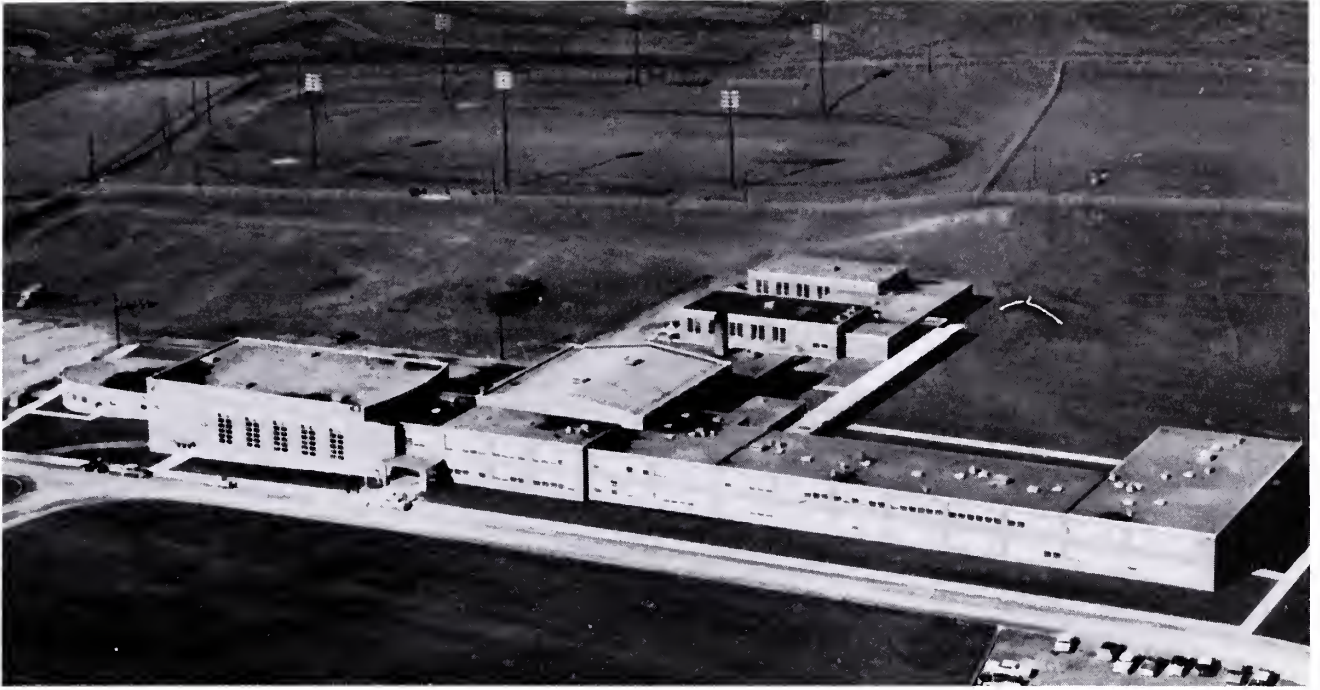

WINCHESTER . . . HANGMEN'S  
NOOSE . . . MACBETH . . .  
spitballs . . . possible escape  
from the second floor . . . who's  
got my shoes . . . you mean I  
gro from band to 223 . . . tar-  
dy bells . . . when do we eat  
. . . is it two to the left or two  
to the right . . . watch that  
coughing in assembly . . .  
you mean you're interrupting  
my class again . . . why can't  
we go to the World's Fair . . .  
don't step on it; it's an eighth  
grader . . . is that Santa Claus  
on the roof . . . hey, look,  
they're giving away free leis  
. . . this darn cap doesn't fit.

Who was that man, who was that man  
That was the greatest of them all?  
Who fought for peace and freedom  
To keep our country free -  
The man called Kennedy.

The day was bright, the man was slight  
That did this awful deed;  
A shot rang out and one man fell,  
The man called Kennedy.

People watched as the cars went on that fateful day,  
A man hidden from the light with no respect to pay,  
Did end the life of this great man  
Twas obvious to see,  
The man called Kennedy.

His name shall live forever,  
His spirit shall prevail;  
No man shall live to be as great  
To darken in his trail;  
And freedom's light shall prosper  
From here to eternity, for the man,  
The man called Kennedy.

This was the man, this was the man  
Who was the greatest of them all  
He fought for peace and freedom  
To keep our country free -  
The man called Kennedy.

## *Administration*

MR. ROBERT DUNN

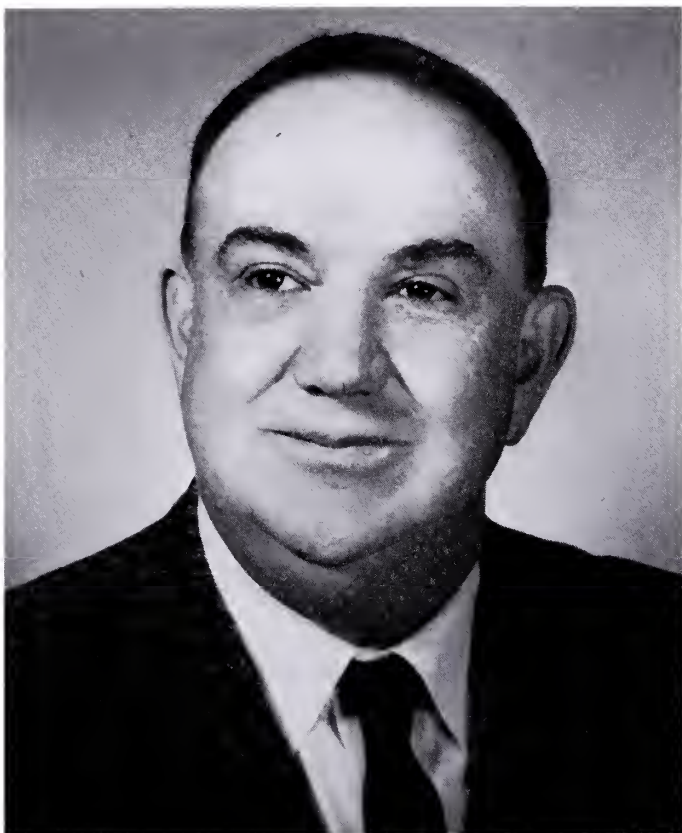

MR. HARRY N. FOGLESONG

Mr. Robert Dunn is assistant principal. He is a graduate of Concord and received his Masters Degree from West Virginia University. He lives in Pearisburg with his wife, Betty. He has one son, Greg.

Mr. Dunn, originally from Peterstown, West Virginia, first came to Pearisburg High School as a basketball coach and English teacher. For the past three years he has been at Giles. He can be seen handing out excuses in the early morning.

MR. SAM ROBINSON  
Guidance Director

Many vague ideas concerning the duties of a counselor exist. Some look upon the counselor as a giver of advice, a specialist for problem cases, and a person to revise schedules. Others sometimes see the counselor as a convenient aid to perform innumerable duties that are not related to any counselor function. Actually the counselor is this and much more. His primary goal is to help each individual attain maximum personal development. He tries to develop in each student the self-insight needed for making decisions on goals and the educational means for attaining these goals. He encourages the students to work up to their ability, to develop independent habits of study, and to become more skilled in critical thinking. The guidance department enables each individual to understand his abilities, interests, and personality traits.

*In

JESSE DEWAYNE MONTGOMERY

Died: April 18, 1963

I cannot say, and I will not say  
That they are dead -- they're just away.

With a cheery smile and a wave of the hand,  
They've wandered into an unknown land.

And left us dreaming how very fair  
It needs must be since they linger there.

And you - O you, who the wildest yearn  
For the old time step and the glad return.

Think of them faring on, as dear  
In the love of there as the love of here.

Think of them still as the same, I say;  
They are not dead - they're just away.

## The Spartonian

The purpose of the Key Club, sponsored by Mr. Bob Richards, is service. This club is one of the most active in Giles High. Its main money raising project is the sale of Halloween candy. This money is used to send delegates to the Key Club Convention and to finance various service projects. Allen Ingram, Barry Guthrie, Bill Hodge, and Kerry Gillispie attended the convention, which was held in Richmond. Perhaps the students are more aware of the Key Club Beauty Pageant than any other activity. This year Miss Libbie Ann Munsey was chosen from among forty-eight contestants as Miss Giles High. The money from the pageant was used to buy a reading machine for the developmental reading program.

## *Giles Symphonic Chorale*

The Symphonic Chorale first began as a group of twenty people and was called the Top 20. In October of 1962 the Top 20 was enlarged to forty-two members and renamed the Symphonic Chorale. Each member auditions to secure a place in Chorale. The group is purely volunteer and there is no credit given for it. In May 1963 the Chorale went on a tour into northern West Virginia. They stayed at Jackson Mill, just outside of Weston. They sang concerts at Glenville High School, Weston High School, Buckhannon Upsher High School, Alderson-Broadus College in Philippi, and for Sunday Service at Weston Methodist Church. This year's tour, from May 20 to 24, was into the Shenandoah Valley of Virginia. The group stayed at Massanetta Springs, just outside of Harrisonburg and presented concerts at Harrisonburg High School, Madison High School, Page County High School in Shenandoah, and Elkton High School. The Chorale has presented concerts in nearly every community in Giles County and for nearly every club in the county.

The Spartan gridsters, under an entirely new coaching staff, posted their first winning season with a 5-4-1 record. Head coach for Giles was Mr. Bill Peery assisted by Mr. Jim Worley, line coach, and Mr. Bob Farmer, backfield coach. Mr. Peery came to Giles from Beaver High School and Mr. Farmer from Iaeger. In their first time out, the Spartans stunned Narrows with a 7-7 tie, which stopped the Greenwave one game short of the state record for consecutive wins. In their fourth game, the team pulled one of the biggest upsets of the year when they stopped undefeated Christiansburg 21-19. Losing only three seniors, the boys are looking forward to an even better season next year.

For the Spartans, this was a year of change under a new head coach, Mr. Bob Farmer. Picked by the district coaches to finish last out of 11 teams, Giles finished 5th. With only one returning letterman, Bob Morton, the Spartans tried a new style, run and shoot. Their strong points were their hustling defense and ability to steal the ball. The team had well-balanced scoring and kept four boys, Bob Morton, Roger Wood, Donnie Martin, and Skipper Williams, among the leading district scorers most of the season.

## *Baseball Team Gains Experience*

Although the record doesn't show a very impressive record for the Giles baseball team, they have high hopes for next year. Almost all the boys have one or two more years and this season should have given them the experience they need for a really outstanding ball club.

## *The Helmsmen*

The Helmsmen is a folk ballad group. It originated in December of 1962 as a trio composed of Jim Witten, a guitarist, Bill Shomo on the bass and Byrum Lee, playing a ukelele. This group sang for many assemblies and the Lion's Club Minstrel in 1963. During the summer they entertained at picnics and luncheons.

In December, another guitarist, Dave McGrath, joined the group. Bill Shomo switched to playing the banjo and Byrum Lee changed to a ten string instrument called the tiple.

Since the addition of David McGrath, the group has sung at another Lion's Minstrel, hootenannies, dinners, assemblies, and for the prom at Graham High School in Bluefield. They represented Giles High School on Saturday Session.

On May 3, the Helmsmen made their first record. They recorded "Froggie Went a Courtin'" and "Chilly Winds."
